

**IN THE UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF MISSOURI  
SOUTHERN DIVISION**

**UNITED STATES OF AMERICA,**

Plaintiff,

v.

**No. 17-03072-01-CR-S-MDH**

**STEVEN RAY BROWN,**

Defendant.

**PLEA AGREEMENT**

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

1. **The Parties.** The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Timothy A. Garrison, United States Attorney, and Casey Clark, Assistant United States Attorney, and the defendant, Steven Ray Brown ("the defendant"), represented by Erica Mynarich.

The defendant understands and agrees that this plea agreement is only between him and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state, or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

2. **Defendant's Guilty Plea.** The defendant agrees to and hereby does plead guilty to Count 1 of the superseding indictment charging him with a violation of 18 U.S.C. § 922(g)(1), that is, possession of a firearm by a convicted felon. The defendant further agrees to and hereby does plead guilty to Count 2 of the superseding indictment charging him with a violation of 18 U.S.C.

§§ 751(a) and 4082(a), that is, escape from custody. By entering into this plea agreement, the defendant admits that he knowingly committed these offenses, and is in fact guilty of these offenses.

3. **Factual Basis for Guilty Plea.** The parties agree that the facts constituting the offenses to which the defendant is pleading guilty are as follows:

On December 11, 2008, the defendant, Steven Ray Brown, pleaded guilty in the United States District Court, Western District of Missouri to the felony of Possession of a Firearm by a Felon, pursuant to 18 U.S.C. §§ 922(g)(1) and 924(a)(2). On June 2, 2009, the defendant received a sentence of 72 months' incarceration, followed by three years of supervised release. After service of his sentence, the defendant was placed on supervised release.

On May 26, 2015, the Honorable United States District Judge Greg Kays found that the defendant violated his term of supervised release and sentenced him to 23 months' incarceration.

On November 16, 2016, in preparation for his release from the Bureau of Prisons ("BOP") and placement on supervised release, the defendant's BOP institutional custody was transferred from the Federal Correctional Center in Yazoo City, Mississippi, to the Alpha House Residential Reentry Center ("RRC") in Springfield, Greene County, Missouri, a location within the Western District of Missouri.

On May 31, 2017, at 9:20 a.m., Alpha House RRC staff members observed the defendant leave the Alpha House RRC parking lot in a blue 2016 Dodge Ram, tag number 0CY669. The defendant did not have authorization from Alpha House RRC to leave the facility. The defendant knew that he was leaving the facility without authorization to do so. He did not ever return to the facility.

On June 20, 2017, Deputy United States Marshal ("DUSM") Anthony Cable and members of the Southern Missouri Fugitive Task Force ("SMFTF"), including Task Force Officers ("TFO") Billy Miller and Neil Kastler, located the defendant's Dodge truck, with the license plate number 0CY669, at 1655 South Ingram Mill Road, apartment B101, in Springfield, Greene County, Missouri, a location within the Western District of Missouri. At approximately 9 a.m., the officers observed the defendant exit the apartment. As SMFTF members began to approach the defendant in clearly marked police tactical vests, the defendant fled on foot. SMFTF members announced "Police" and gave commands for the defendant to stop. The defendant continued to run on foot away from the officers.

DUSM Cable and TFO Miller then observed the defendant pull a firearm out of the rear portion of his waistband with his right hand and throw the gun away from him by the swimming pool at the apartment complex. The defendant continued to run. SMFTF

members caught up to the defendant and he complied with their commands and dropped to the ground. TFO Miller handcuffed and searched the defendant, finding a black holster on the defendant's waistband in the small of his back.

SMFTF members located a black Ruger P95DC firearm, bearing serial number 315-27429, in the grass at the location where DUSM Cable and TFO Miller observed the defendant throw the gun. The officers cleared the weapon and ejected a round from the chamber. They later inventoried the magazine and found six 9mm rounds and three .380 rounds inside of it.

Special Agent ("SA") Brian Fox of the Bureau of Alcohol, Tobacco, Firearms, and Explosives identified the firearm as a Ruger, model P95DC, 9 mm caliber pistol, bearing serial number 315-27429. SA Fox test-fired the firearm and found that it functioned as designed. He also determined that the firearm had traveled in interstate commerce before arriving in the state of Missouri.

Prior to his escape from custody and his possession of the firearm, the defendant had received Missouri convictions for the felonies of forgery, tampering in the first degree, failure to appear on a felony, assault on a law enforcement officer in the second degree, assault in the second degree, stealing, and theft. Each of these felonies, and his prior federal conviction for illegal possession of a firearm, were crimes punishable by imprisonment for a term exceeding one year.

4. **Use of Factual Admissions and Relevant Conduct.** The defendant acknowledges, understands and agrees that the admissions contained in Paragraph 3 and other portions of this plea agreement will be used for the purpose of determining his guilt and advisory sentencing range under the United States Sentencing Guidelines ("U.S.S.G."), including the calculation of the defendant's offense level in accordance with U.S.S.G. § 1B1.3(a)(2). The defendant acknowledges, understands and agrees that all other uncharged related criminal activity may be considered as "relevant conduct" pursuant to U.S.S.G. § 1B1.3(a)(2) in calculating the offense level for the charges to which he is pleading guilty.

5. **Statutory Penalties.** The defendant understands that upon his plea of guilty to Count 1 of the superseding indictment charging him with possession of a firearm by a convicted felon, pursuant to 18 U.S.C. § 922(g)(1), the minimum penalty the Court may impose is probation, while the maximum penalty the Court may impose is not more than ten years of imprisonment, a

\$250,000 fine, three years of supervised release, and a \$100 mandatory special assessment per felony count of conviction which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class C felony. The defendant also understands that upon his plea of guilty to Count 2 of the superseding indictment charging him with escape from custody, pursuant to 18 U.S.C. §§ 751(a) and 4082(a), the minimum penalty the Court may impose is probation, while the maximum penalty the Court may impose is not more than five years of imprisonment, a \$250,000 fine, three years of supervised release, and a \$100 mandatory special assessment per felony count of conviction which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class D felony.

6. **Sentencing Procedures.** The defendant acknowledges, understands and agrees to the following:

- a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines, however, are advisory in nature, and the Court may impose a sentence either less than or greater than the defendant's applicable Guidelines range, unless the sentence imposed is "unreasonable";
- b. the Court will determine the defendant's applicable Sentencing Guidelines range at the time of sentencing;
- c. in addition to a sentence of imprisonment, the Court may impose a term of supervised release of up to three years for Count 1 and up to three years for Count 2; that the Court must impose a period of supervised release if a sentence of imprisonment of more than one year is imposed;
- d. if the defendant violates a condition of his supervised release, the Court may revoke his supervised release and impose an additional period of imprisonment of up to two years for Count 1 and up to two years for Count 2, without credit for time previously spent on supervised release. In addition to a new term of imprisonment, the Court also may impose a new period of supervised release, the length of which cannot exceed three years for Count 1, and three years for Count 2, less the term of imprisonment imposed upon revocation of the defendant's first supervised release;
- e. the Court may impose any sentence authorized by law, including a sentence that is outside of, or departs from, the applicable Sentencing Guidelines range;

f. any sentence of imprisonment imposed by the Court will not allow for parole;

g. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office; and

h. the defendant may not withdraw his guilty plea solely because of the nature or length of the sentence imposed by the Court.

i. Within ten days of the acceptance of this plea agreement, at the request of the United States Attorney's Office, the defendant agrees to execute and submit (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the United States Probation Office. The defendant understands that the United States will use the financial information when making its recommendation to the Court regarding the defendant's acceptance of responsibility.

j. At the request of the United States Attorney's Office, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of restitution.

7. **Government's Agreements.** Based upon evidence in its possession at this time, the United States Attorney's Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against the defendant for any federal criminal offenses related to the possession of a firearm by a convicted felon and escape from custody, for which it has venue and which arose out of the defendant's conduct described above in paragraph 3.

The United States also agrees not to bring any additional charges against the defendant for possession of methamphetamine during the time period of November 16, 2016, through June 20, 2017, for which it has venue.

The United States further agrees not to bring any additional charges against the defendant for the smuggling or attempted smuggling of contraband into the St. Clair County, Missouri, Jail on or about September 27, 2017, for which it has venue.

The defendant understands that this plea agreement does not foreclose any prosecution for an act of murder or attempted murder, an act or attempted act of physical or sexual violence against the person of another, or a conspiracy to commit any such acts of violence or any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge.

The defendant recognizes that the United States' agreement to forego prosecution of all of the criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other criminal violations established by the evidence. The defendant expressly waives his right to challenge the initiation of the dismissed or additional charges against him if he breaches this agreement. The defendant expressly waives his right to assert a statute of limitations defense if the dismissed or additional charges are initiated against him following a breach of this agreement. The defendant further understands and agrees that if the Government elects to file additional charges against him following his breach of this plea agreement, he will not be allowed to withdraw his guilty plea.

8. **Preparation of Presentence Report.** The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character, and conduct of the defendant, including the entirety of his criminal activities. The defendant understands these disclosures are not limited to the counts to which he has pleaded guilty. The United States may respond to comments made or positions taken by the defendant or the defendant's counsel and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve

the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. **Withdrawal of Plea.** Either party reserves the right to withdraw from this plea agreement for any or no reason at any time prior to the entry of the defendant's plea of guilty and its formal acceptance by the Court. In the event of such withdrawal, the parties will be restored to their pre-plea agreement positions to the fullest extent possible. However, after the plea has been formally accepted by the Court, the defendant may withdraw his plea of guilty only if the Court rejects the plea agreement or if the defendant can show a fair and just reason for requesting the withdrawal. The defendant understands that if the Court accepts his pleas of guilty and this plea agreement but subsequently imposes a sentence that is outside the defendant's applicable Sentencing Guidelines range, or imposes a sentence that the defendant does not expect, like or agree with, he will not be permitted to withdraw his plea of guilty.

10. **Agreed Guidelines Applications.** With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is either above or below the defendant's applicable Guidelines range, provided the sentence imposed is not "unreasonable";

b. The applicable Guidelines section for the defendant's conviction for Count 1 is U.S.S.G. § 2K2.1;

c. Pursuant to U.S.S.G. § 2K2.1(a)(2), a base offense level of **24** is appropriate for Count 1 because the defendant committed the instant offense subsequent to sustaining at least two felony convictions for a crime of violence, to wit: assault on a law enforcement officer in the second degree and assault in the second degree, both from the state of Missouri;

d. Pursuant to U.S.S.G. § 2K2.1(b)(6)(B), a **four - level increase** is appropriate for Count 1 because the defendant possessed the firearm in connection with another felony offense;

e. The defendant has admitted his guilt and clearly accepted responsibility for his actions, and has assisted authorities in the investigation or prosecution of his own misconduct by timely notifying authorities of his intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. Therefore, he is entitled to a **three – level reduction** pursuant to § 3E1.1 of the Sentencing Guidelines. The Government, at the time of sentencing, will file a written motion with the Court to that effect, unless the defendant (1) fails to abide by all of the terms and conditions of this plea agreement and his pretrial release, if applicable; or (2) attempts to withdraw his guilty plea, violates the law, or otherwise engages in conduct inconsistent with his acceptance of responsibility;

f. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine his applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

g. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in Paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw his plea of guilty;

h. The United States and the defendant agree to a joint non-binding recommendation to the Court for a sentence of 120 months' imprisonment for Count 1, consecutive to his sentence resulting from his original conviction and supervised release revocation in case number 08-03076-01-CR-S-DGK, in the United States District Court for the Western District of Missouri. Regarding Count 2, the United States and the defendant further agree to a joint non-binding recommendation to the Court for a sentence equal to the low-end of the applicable Guidelines range for Count 2, consecutive to his sentence for Count 1, and consecutive to his sentence under case number 08-03076-01-CR-S-DGK. The agreement by the parties to offer a joint non-binding recommendation to the Court is not binding upon the Court or the United States Probation Office and the Court may impose any sentence authorized by law, including any sentence outside the applicable Guidelines range that is not "unreasonable;"

i. The defendant consents to judicial fact-finding by a preponderance of the evidence for all issues pertaining to the determination of the defendant's sentence, including the determination of any mandatory minimum sentence (including the facts that support any specific offense characteristic or other enhancement or adjustment), and any legally authorized increase above the normal statutory maximum. The defendant waives any right to a jury determination beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed, and waives any right to have those facts alleged in the indictment. The defendant

also agrees that the Court, in finding the facts relevant to the imposition of sentence, may consider any reliable information, including hearsay; and,

j. The defendant understands and agrees that the factual admissions contained in Paragraph 3 of this plea agreement, and any admissions that he will make during his plea colloquy, support the imposition of the agreed-upon Guidelines calculations contained in this agreement.

11. **Effect of Non-Agreement on Guidelines Applications.** The parties understand, acknowledge and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in Paragraph 10, and its subsections. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

12. **Change in Guidelines Prior to Sentencing.** The defendant agrees that if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by defendant to be sentenced pursuant to the new Guidelines will make this plea agreement voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

13. **Government's Reservation of Rights.** The defendant understands that the United States expressly reserves the right in this case to:

a. oppose or take issue with any position advanced by defendant at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;

b. comment on the evidence supporting the charges in the superseding indictment;

c. oppose any arguments and requests for relief the defendant might advance on an appeal from the sentences imposed and that the United States remains free on appeal or collateral proceedings to defend the legality and propriety of the sentence actually imposed, even if the Court chooses not to follow any recommendation made by the United States; and,

- d. oppose any post-conviction motions for reduction of sentence, or other relief.

14. **Waiver of Constitutional Rights.** The defendant, by pleading guilty, acknowledges that he has been advised of, understands, and knowingly and voluntarily waives the following rights:

- a. the right to plead not guilty and to persist in a plea of not guilty;
- b. the right to be presumed innocent until his guilt has been established beyond a reasonable doubt at trial;
- c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;
- d. the right to confront and cross-examine the witnesses who testify against him;
- e. the right to compel or subpoena witnesses to appear on his behalf; and,
- f. the right to remain silent at trial, in which case his silence may not be used against him.

The defendant understands that by pleading guilty, he waives or gives up those rights and that there will be no trial. The defendant further understands that if he pleads guilty, the Court may ask him questions about the offense or offenses to which he pleaded guilty, and if the defendant answers those questions under oath and in the presence of counsel, his answers may later be used against him in a prosecution for perjury or making a false statement. The defendant also understands he has pleaded guilty to a felony offense and, as a result, will lose his right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

15. **Waiver of Appellate and Post-Conviction Rights.**

- a. The defendant acknowledges, understands and agrees that by pleading guilty pursuant to this plea agreement he waives his right to appeal or collaterally

attack a finding of guilt following the acceptance of this plea agreement, except on grounds of (1) ineffective assistance of counsel; or (2) prosecutorial misconduct.

b. The defendant expressly waives his right to appeal his sentence, directly or collaterally, on any ground except claims of (1) ineffective assistance of counsel; (2) prosecutorial misconduct; or (3) an illegal sentence. An “illegal sentence” includes a sentence imposed in excess of the statutory maximum, but does *not* include less serious sentencing errors, such as a misapplication of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government’s appeal, cross-appeal his sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

16. **Financial Obligations.** By entering into this plea agreement, the defendant

represents that he understands and agrees to the following financial obligations:

a. The defendant agrees that the Court may order restitution in connection with the offenses to which the defendant is pleading guilty and in connection with all other uncharged related criminal activity.

b. The United States may use the Federal Debt Collection Procedures Act and any other remedies provided by law to enforce any restitution order that may be entered as part of the sentence in this case and to collect any fine.

c. The defendant will fully and truthfully disclose all assets and property in which he has any interest, or over which the defendant exercises control directly or indirectly, including assets and property held by a spouse, nominee or other third party. The defendant's disclosure obligations are ongoing, and are in force from the execution of this agreement until the defendant has satisfied the restitution order in full.

d. Within ten days of the execution of this plea agreement, at the request of the United States Attorney’s Office (“USAO”), the defendant agrees to execute and submit (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the U.S. Probation Office. The defendant understands that compliance with these requests will be taken into account when the United States makes a recommendation to the Court regarding the defendant's acceptance of responsibility.

e. At the request of the USAO, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of restitution.

f. The defendant hereby authorizes the USAO to obtain a credit report pertaining to him to assist the USAO in evaluating the defendant's ability to satisfy any financial obligations imposed as part of the sentence.

g. The defendant understands that a Special Assessment will be imposed as part of the sentence in this case. The defendant promises to pay the **Special Assessment of \$200.00** by submitting a satisfactory form of payment to the Clerk of the Court prior to appearing for the sentencing proceeding in this case. The defendant agrees to provide the Clerk's receipt as evidence of his fulfillment of this obligation at the time of sentencing.

h. The defendant certifies that he has made no transfer of assets or property for the purpose of (1) evading financial obligations created by this Agreement; (2) evading obligations that may be imposed by the Court; nor (3) hindering efforts of the USAO to enforce such financial obligations. Moreover, the defendant promises that he will make no such transfers in the future.

i. In the event the United States learns of any misrepresentation in the financial disclosure statement, or of any asset in which the defendant had an interest at the time of this plea agreement that is not disclosed in the financial disclosure statement, and in the event such misrepresentation or nondisclosure changes the estimated net worth of the defendant by ten thousand dollars (\$10,000.00) or more, the United States may at its option: (1) choose to be relieved of its obligations under this plea agreement; or (2) let the plea agreement stand, collect the full restitution and fines imposed by any criminal or civil judgment, and also collect 100% (one hundred percent) of the value of any previously undisclosed assets. The defendant agrees not to contest any collection of such assets. In the event the United States opts to be relieved of its obligations under this plea agreement, the defendant's previously entered plea of guilty shall remain in effect and cannot be withdrawn.

17. **Waiver of FOIA Request.** The defendant waives all of his rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

18. **Waiver of Claim for Attorney's Fees.** The defendant waives all of his claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

19. **Defendant's Agreement to Destruction of Biological Evidence.** In accordance with 18 U.S.C. § 3600A(c)(2), the defendant knowingly and voluntarily waives his right to request DNA testing of biological evidence which may have been obtained or seized by law enforcement in his case. The defendant agrees that all biological evidence which may have been obtained or seized may be destroyed by law enforcement authorities.

20. **Defendant's Breach of Plea Agreement.** The United States and the defendant agree that the defendant violated a term of his plea agreement entered on August 2, 2017, (D.E. 24)<sup>1</sup>, in that he attempted to smuggle contraband into the St. Clair County, Missouri, Jail, which violated federal law under 18 U.S.C. § 1791(a). Pursuant to the terms of that plea agreement, the United States and the defendant agree that the defendant breached such plea agreement, and that this plea agreement considers such breach. Due to the Court allowing the defendant to withdraw his guilty plea under that previous plea agreement, the parties agree that this plea agreement now controls the disposition of this case.

In relation to this plea agreement, if the defendant commits any crimes, violates any conditions of release, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or fails to appear for sentencing, or if the defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete, or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw his plea of guilty.

The defendant also understands and agrees that in the event he violates this plea agreement, all statements made by him to law enforcement agents subsequent to the execution of this plea

agreement, any testimony given by him before a grand jury or any tribunal or any leads from such statements or testimony shall be admissible against him in any and all criminal proceedings. The defendant waives any rights that he might assert under the United States Constitution, any statute, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other federal rule that pertains to the admissibility of any statements made by him subsequent to this plea agreement.

21. **Defendant's Representations.** The defendant acknowledges that he has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice and approval of counsel. The defendant acknowledges that he is satisfied with the assistance of counsel, and that counsel has fully advised him of his rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, his attorneys or any other party to induce him to enter his pleas of guilty.

22. **No Undisclosed Terms.** The United States and the defendant acknowledge and agree that the above-stated terms and conditions, together with any written supplemental agreement that might be presented to the Court in camera, constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement or any written supplemental agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

23. **Standard of Interpretation.** The parties agree that, unless the constitutional implications inherent in plea agreements require otherwise, this plea agreement should be interpreted according to general contract principles and the words employed are to be given their normal and ordinary meanings. The parties further agree that, in interpreting this agreement, any drafting errors or ambiguities are not to be automatically construed against either party, whether or not that party was involved in drafting or modifying this agreement.
